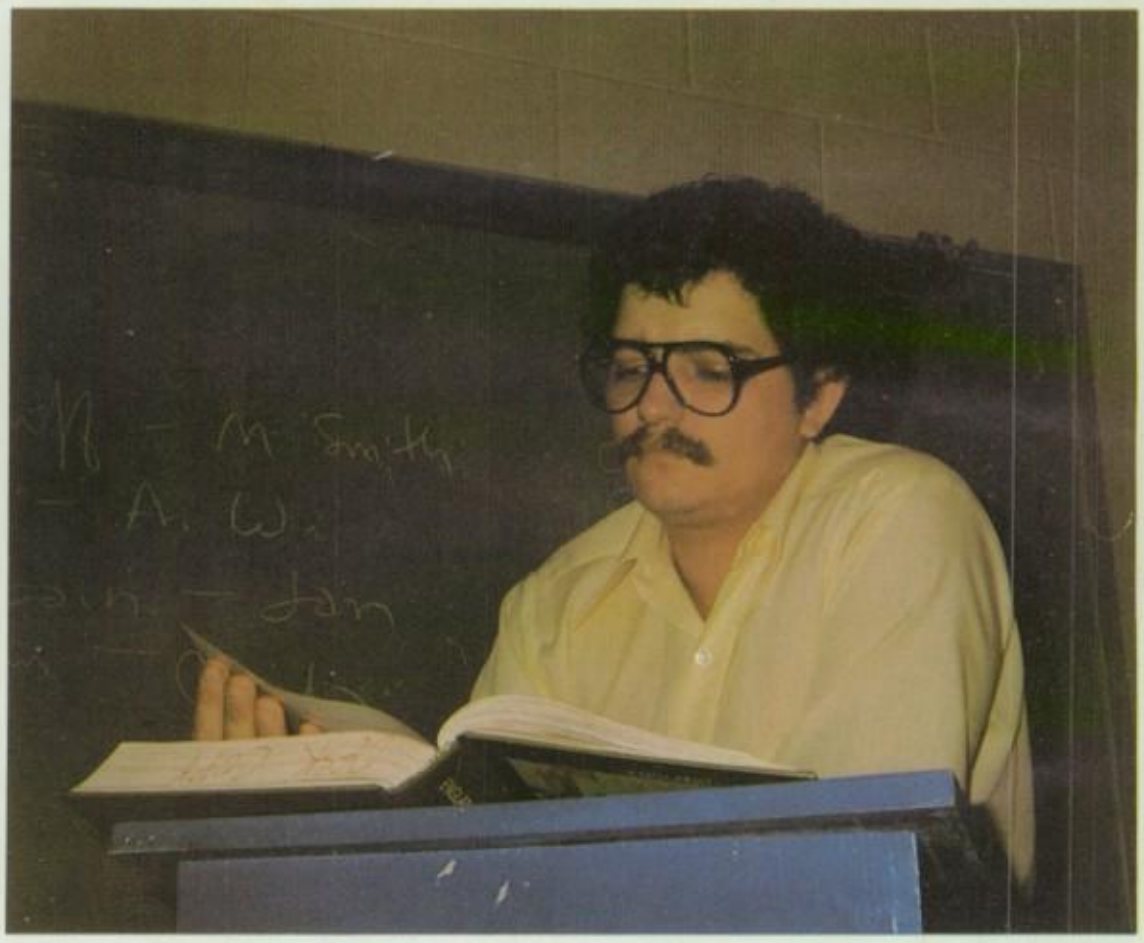
1980-81 Eagle Dedication

Mr. Tex Norman



Mr. Tex Norman is a unique person. He always has a warm smile and a friendly word for everyone. Whenever anyone may need a friend, he is there. Everyone who knows him, loves and appreciates him.

For this, we, the Butner Annual Staff, dedicate our 1980-81 "Eagle: Ready for the 80's" to Tex Norman.

EAGLES:

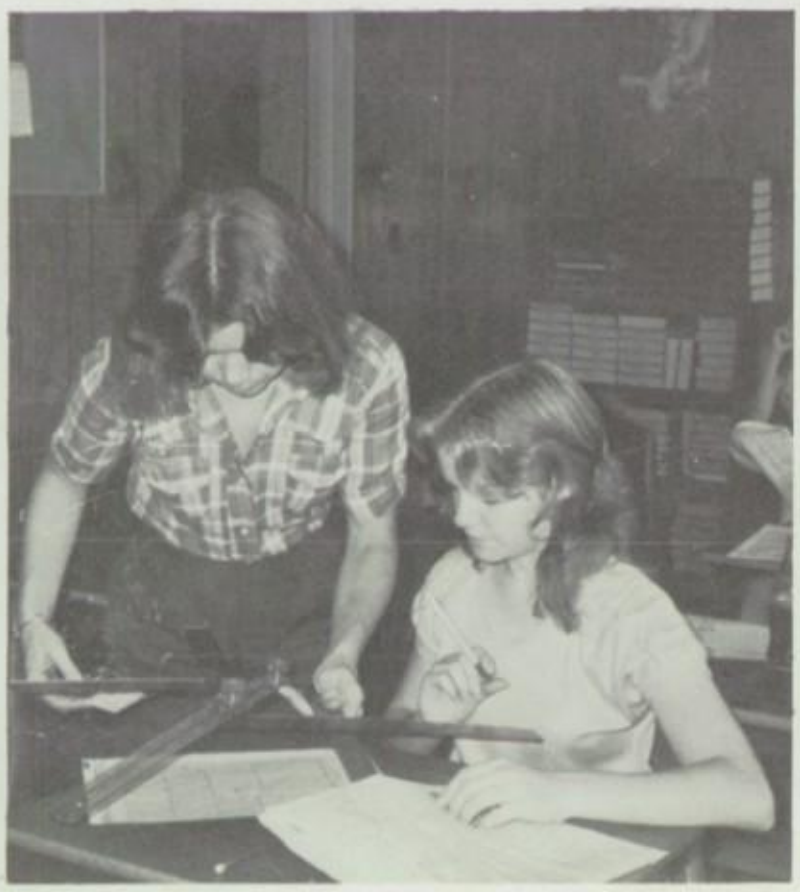
READY FOR THE 80's

A Butner Eagle is prepared for anything and everything life may throw at him. Confronted with good times or bad times, work or play, an Eagle is — and always will be — ready for anything!

Fun Times

Hard Times

Everyone has hard times along, with the good times, whether it's being an office aide with nothing to do like Rita Jackson, o. being injured and out of the action like David Cox, Marvin Arbertha, and Eric Berryhill were this year.



Hard times this year included working in the concession stand on homecoming night or trying to meet the yearbook deadline.

Ready For Fun

1. Everyone is always ready for the pep assembly to start.
2. Getting ready for halftime are Cecil Sanders, Tonjua Whisnant, and Johnny Underwood.
3. Kindergarten is ready for fun with Danny Wesley.
4. Getting ready for the first dance are Regina Kittrell, Roger Waybourn, and Connie Russell.

The Junior High NHS was newly formed this year. Many students were thrilled at being able to participate in such a respectable club. Like the Senior High NHS, the students are chosen on the four virtues of the club, character, leadership, scholarship, and service.

The High School NHS is a very proud organization. They are proud because they know NHS helps build a person's character since he must continue to uphold the four virtues of NHS. The National Honor Society not only does things for themselves but also for the school, commuintiy, and our country. There are many serious aspects of NHS but they also have fun.
